

Adam Names the Animals

Now the Lord God formed out of the ground all the beasts of the field and all the birds of the air. He brought them to the man to see what he would name them; and whatever the man called each creature, that was its name. So the man gave names to all the livestock, the birds of the air and all the beasts of the field.

Genesis 2:19-20

Call it like you see it. Adam wouldn't have done anything less. Stretching the truth, being falsely kind, or painting an artificial picture of reality would have been foreign concepts to him. Isn't that what we love in little children? Seeing life through their eyes helps us to remove the whitewash that sometimes covers reality. Their mouths speak what their eyes see without running through the filters that distort the truth.

As we grow older our honesty becomes tarnished. Reality isn't always pretty but God desires the truth. So call it like you see it and speak the truth in love.
