

# Lot's Wife

*By the time Lot reached Zoar, the sun had risen over the land. Then the Lord rained down burning sulfur on Sodom and Gomorrah - from the Lord out of the heavens. Thus he overthrew those cities and the entire plain, including all those living in the cities - and also the vegetation in the land. But Lot's wife looked back and she became a pillar of salt.*  
*Genesis 19:23-26*

A peek is the same as a stare. Just one little look won't hurt, was probably the last thought of Lot's wife. We rationalize that God knows the difference between a peek and a stare, surely He won't punish the peeker the same as a starrer. We also believe the same is true about sin, some aren't as bad as others. But our sliding scale of severity is not necessarily God's. The end result of any of our sins is the same, separation from God. Thankfully God has provided a means for forgiveness, but don't be misled, a peek is the same as a stare.
