1 Chronicles 15:1-2

Have you ever felt like that little fifth wheel in the trunk of your car? That little fifth wheel goes through life for the ride, not seeming to do anything useful, except on rare occasions when its' limited abilities are required. Even then, it is only used for a short amount of time while the real wheel is getting fixed. We all want our lives to have meaning and to spend our time in this world accomplishing worthwhile things. The real issue is how to measure the accomplishments of our lives. Take comfort in God's assessment: "And if anyone gives even a cup of cold water to one of these little ones because he is my disciple, I tell you the truth, he will certainly not lose his reward." Matt 10:42
